Item 3 NIE on Eastern Europe and the USSR in the Aftermath of the Invasion of Czechoslovakia
BNE draft coordinated with USIB Representatives for USIB approval;
Sponsor - Mr. Smith

BNE initiated this regularly scheduled estimate several months ago under the title, "The Changing Scene in Eastern Europe". As a result of the Czech crisis production of the paper was delayed and complicated and finally a completely new draft was prepared. This is the first estimate in four years to cover Eastern Europe as a whole. There are no known dissents to this paper and BNE does not anticipate any difficulties at the Board meeting.

Item 4 SNIE on the Soviet Approach to Arms Control
BNE draft coordinated with USIB Representatives for USIB approval;
Sponsor - Mr. Smith

This SNIE was requested by DIA on behalf of the Chairman of the JCS. No difficulties were encountered in the coordination of this paper and BNE does not anticipate any particular problems at USIB.
